INDEPENDENT AUDITORS' REPORT

To the Board of Directors of International Fellowship of Christians and Jews of Canada

We have audited the accompanying financial statements of International Fellowship of Christians and Jews of Canada, which comprise the statement of financial position as at December 31, 2013 and the statements of revenue and expenses, changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Audit Opinion

In common with many charitable organizations, the International Fellowship of Christians and Jews of Canada derives revenue from donations and fundraising, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Entity and we were not able to determine whether, as at or for the year ended December 31, 2013, any adjustments might be necessary to contributions, excess of revenue over expenses, reported in the statement of revenue and expenses and current assets and net assets reported in the statement of financial position.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the International Fellowship of Christians and Jews of Canada as at December 31, 2013, and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Report on Other Legal and Regulatory Requirements

As required by the Canada Corporations Act, we report that, in our opinion, these principles have been applied on a basis consistent with that of the preceding year.

INTERNATIONAL FELLOWSHIP OF CHRISTIANS AND JEWS OF CANADA

Notes to Financial Statements

Year ended December 31, 2013

International Fellowship of Christians and Jews of Canada ("The Fellowship") was incorporated as a not-for-profit organization without share capital in 1999 under the Canada Corporations Act. Its objective is to advance, encourage and support Christians and Jews in the expression and practice of their respective faiths by facilitating and furthering an understanding and application of biblical doctrine and values in accordance with The Fellowship's statement of beliefs. The Fellowship is a registered charity under the Income Tax Act (Canada) and, accordingly, is exempt from income taxes, provided certain requirements of the Income Tax Act (Canada) are met.

1. Significant accounting policies:

These financial statements have been prepared by management in accordance with ASNPO in Part III of the CPA Handbook.

(a) Cash and cash equivalents:

The Fellowship considers deposits in banks and short-term investments with original maturities of 90 days or less as cash and cash equivalents.

(b) Revenue recognition:

The Fellowship follows the deferral method of accounting for contributions which include donations and fundraising revenue. Unrestricted contributions are recognized when received. Externally restricted contributions are recognized as revenue in the year in which the related expenses are recognized. Donations are recognized on a cash basis. Investment income includes interest income and is recorded on the accrual basis. Externally restricted investment income earned in the year but related to expenses of a future year is deferred and recognized as revenue in the year in which the related expenses are recognized.

(c) Contributed materials and services:

Because of the difficulty in determining the fair value of contributed materials and services, contributed services and materials are not recognized in these financial statements.

Notes to Financial Statements (continued)

Year ended December 31, 2013

1. Significant accounting policies (continued):

(d) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

(e) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently measured at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Fellowship has not elected to carry any such financial instruments at fair value.

(f) Capital assets:

Purchased capital assets are recorded at cost. Amortization is provided using the following method and annual rates:

Asset	Basis	Rate
Furniture and fixtures	Straight-line	15%
Computer	Straight-line	33%
Leasehold improvements	Straight-line	20%

When a capital asset no longer contributes to The Fellowship's ability to provide services, its carrying amount is written down to its residual value.

Unrestricted	6,827	7,711
	\$ 8,480	\$ 12,122

6. Transactions with the International Fellowship of Christians and Jews:

The individual who was involved in the establishment of the International Fellowship of Christians and Jews ("IFCJ") was also involved in the establishment of The Fellowship and is president of the IFCJ and volunteer of the Board of Directors of The Fellowship. While sharing a common purpose, both entities operate independently and The Fellowship is not controlled by IFCJ.

7. Financial instruments:

Capital management:

In managing capital, The Fellowship focuses on liquid resources available for operations. The Fellowship's objective is to have sufficient liquid resources to continue operating and to provide it with the flexibility to take advantage of opportunities that will advance its purpose. The need for sufficient liquid resources is considered in the preparation of an annual budget and in the monitoring of cash flows and actual operating results compared to budget.
